but where the average family size is 2, having 4 children is a freakish 2x multiplier, like having 14 kids in the 5-7 children society

what was so awful about me that couldn’t be worked on? and how did this happen to me? i’m clearly missing something because he was one of the good guys, the best i’ve had

while the effectiveness of finasteride often depends on the length of time it is taken, the available evidence suggests that two thirds of men who use it see some hair regrowth.

one thing that has made a big difference for me is adding magnesium right before i go to bed
